Details

Description

Compact, practical and versatile: The new Comfort Line entry class is equipped with impressive new features that meet the highest standards. These include the blower function, the large container as well as the convenient parking position and the easy stowage of suction tube and floor nozzle. The special cartridge filter makes wet and dry vacuuming possible without changing the filter. Power cable and other accessories are quickly stowed in a minimum of space in the storage system.
The WD 3.500 P features also a power outlet with automatic on/ off control plus adapter for applications with power tools. The dust that occurs when drilling, sawing or sanding is extracted directly at source.
